

## Sign up to help with PE activities

We are looking forward to another exciting year in the Physical Education department. During the year we offer several events for your children to participate in to enrich their physical activity. In the past parents have assisted in these events. Without you, the parents, these events would not be possible. Every year I have parents come and tell me after they have volunteered how much fun and how rewarding it was to help on these events. Please look at the events below and check which events you can assist on this year. I will send you a follow-up letter when the event gets closer with more information I look forward to working with all the parents, old or new this year on these events. Thank you in advance for your help. If you have any questions please call Mrs. McCreedy/PE @ 647-5131.
